Subject: AO 2015-14 (Hillary for America II) - Confirmation Email Regarding Vetting Activities

Dear Ms. Lopez,

This email is to confirm the additional information that you provided by phone. Please either confirm via reply email that the information below is correct, or respond with any necessary corrections or clarifications. Once we have received your confirmation, the email will become part of the public record as part of the advisory opinion request on behalf of Hillary for America:

Approximately 10-20% of the work Ms. Victoria Houghtalen performed in the Vetting Department of the Hillary for America committee consisted of screening contributions to determine their legality. The remainder of the work that she performed in the Vetting Department was political in nature.

Please let me know if you have any questions.

Sincerely,

Robert M. Knop
